The Voice of Swiss Grant-making Foundations

- Created in 2001 through joint efforts of eleven foundations, SwissFoundations gives Switzerland's grant-making foundations a strong and independent voice.
- As an active network dedicated to innovation, SwissFoundations fosters the exchange of experience, transparency and professionalism in the Swiss foundation sector.
- The association is open to big and small, locally and internationally active foundations based in Switzerland and Liechtenstein.
- Grant-seeking organisations cannot join the association.
- **SwissFoundations has 164 members in June 2019.**
